SUBJECT: Fourth Interview with Complainant [REDACTED]

On 28 December 2011, Reporting Detective Shawn KENNEDY #21270 spoke telephonically with complainant [REDACTED] for verification of any treatment she received from the Chicago Fire Department on 06 October 2011. According to CFD Run Sheet [REDACTED] Paramedics Joseph CASTELLO #19560 and Robert KLINGE #18607 indicated the patient [REDACTED] had no complaints but had ETOH [alcohol related] and was arrested by CPD 923 for DUI. The patient was taken away with no ambulance needed. The Run Sheet also indicated that [REDACTED] refused to sign the Release of Medical Responsibility form.

[REDACTED] stated that she informed the paramedics, as well as the police officers, that she was having head and neck pain. [REDACTED] denied ever refusing medical attention and stated the paramedics only pricked her finger prior to the police officers taking her away. [REDACTED] admitted to Reporting Detective that she knew she had a suspended driver's license and wanted to receive medical attention as long as possible so she would not be arrested. [REDACTED] denied having any alcohol in her system. [REDACTED] said she will get a copy of her medical record from South Shore hospital from 07 October 2011 and forward it to Reporting Detective.
